## Tulum, Cenote and Snorkeling with the Turtles

Allow yourself a day to experience the best of Yucatan! Visit Tulum archaeological site, the only one built by the Mayans on the sea and that enjoys one of the most beautiful views of the Mexican Caribbean. And then, jump, swim, and refresh yourself in the crystal waters of an amazing Cenote, the sacred sinkhole flooded by the underground river that cross the entire Peninsula. Afterward, we will move to Akumal beach where you can snorkel and explore the bay, known for the presence of turtles and others marine species living in the coral reef all the year.
